

## Laryngoscope Bag 33045

> Dimensions: 14"L x 1.5"W x 10"H

Our laryngoscope bag is designed in a classic attaché style making easy to carry and easy to organize your adult and pediatric laryngoscope handles and accessories.

Manufactured from durable 1000 denier nylon and fully padded exterior, this laryngoscope bag will protect your equipment not just carry it. Pull the heavy duty zipper open and you will find multiple ways of storing your handles, blades, tubes and forceps.

On one side of the bag there are two large elastic holders that can adjust for your handles. On the other side there are clear vinyl divider layered on top of elastic holders for blades, tubes and forceps that you will be able to easily identify in any emergency.
